

J2 RANCH ESTATES

**80% OF THE SAN RAFAEL VALLEY IS CURRENTLY UNDER CONSERVATION EASEMENT
MAKING THIS PROPERTY WITH BUILDING ENVELOPES VERY VALUABLE.**

These two parcels would be ideal as a Personal or Corporate Retreat – a Second Home or a Boutique Bed and Breakfast. There are tax incentives to maintaining an agricultural participation via a “lease back” of the land to San Rafael Valley Grass-Fed Beef should that be of interest. Conservation Easements are held by Arizona Land & Water Trust and protect the ongoing value.

You are cordially invited to come and visit the property with an appointment.
